# Jim Bearden, CSP

## INTRODUCTION

**J**im Bearden's many rich life experiences form the basis for his speaking and training services. He has been a decorated Vietnam veteran, where he served as a Marine combat unit commander; a top sales producer and sales manager; a corporate vice president; founder of his own successful business, Bearden Resource Group; and, his most valuable learning experience, the father of 3 children.

Holder of the prestigious Certified Speaking Professional designation from the National Speakers Association, Jim has been a professional speaker for 18 years. During that time he has conducted training and delivered presentations for corporate audiences, professional educators, trade and professional associations, and government agencies in the United States, Canada, and Mexico.

The title he's selected for today's presentation is [TITLE]
